Operational Matters:

3. Agent submitted for a security check the names and identifying data on two persons, Fritz RASCHKEK and Margarete HILLER, who stayed for a considerable period of time at the Naturfreundehaus and who might possibly have had opportunity to observe Grallspace 1. (Case officer's note: These names, along with PAUMGARTNER, have been submitted for name checks and the results will be noted as soon as they are returned.)

Personal Matters:

4. Agent reported that he wished to rent a small one-family apartment located in Salzburg, Fischer von Erlachstrasse 61, owned by Professor PAUMGARTNER. Agent also expressed the wish to have his family moved to Salzburg shortly after he moved into the apartment. Case officer answered that he would begin to make the arrangements for the transfer of agent's family. However, agent was requested to reserve final decision on taking the apartment until a short security check had been made on Professor PAUMGARTNER.

5. Agent and case officer spent the remainder of the meeting discussing the international situation and the internal conditions in Russia. Agent still feels that some major shake-up is taking place in the Kremlin but does not feel that the threat of war has decreased.

Administrative Matters:

6. Agent was reimbursed 600 schillings for room rent for the period 30 March to 13 April 1953. The receipt was turned in to the finance office.
